

## **PENTAGON WAR CHIEFS YOU HAVE ONE DAY BEFORE I MARK YOU DOWN AS PERSONAL ENEMIES OF AN ASIAN NOBLE**

Do you know the Honour Code of an Asian Noble againsts Personal Enemies, US War Chiefs? You went against US Criminal Laws, and you are still not complying with Death Penalty laws against Bill Gates after a year of harm to me. You want this, you got it. I will mark every single one of you are personal enemies of an Asian Noble who is an Asian-American Immigrant and let every Asian Noble in Asia know what you have done and let fate take its course.

You want to to be White Supremacist with Bill Gates,huh? We'll see how far you go Pentagon War Chiefs.

### **1. INSTRUCTIONS TO ASIAN NOBLES**

Dear Fellow Asian Nobles,

Grave harm has been committed by the ignoble knave, the murderous criminal, and the symphony of vices, this evil Bill Gates. Rather than enforce criminal laws of my country the United States of America, these traitors to our nation, these Pentagon War Chiefs, joined the criminal with rather savage and barbaric tribal loyalty of a fictitious tribe that was invented for their criminal purposes called *the white tribe*. Your Asian records you ought to consult to verify that no such tribe ever existed in Europe. I ask you, my brothers and sisters, to mark this insolence against one of your own, in your annals, and exact vengeance in due time by your careful balancing of harm and retribution. We are Asian by ancestry and we all understand that our memories are long and we do not forget these vile outrages, these insolences of office in the united states that have tested my Asian Noble Honour. If not this century, exact vengeance to their progeny in the future. We are Asian in blood and our memories span centuries.

### **2. ASIA WILL HAVE SUFFICIENT REASON FOR WAR AGAINST UNITED STATES PENTAGON**

I am an Asian-American immigrant from 1987. I am American. What you have allowed Bill Gates to do is visible to all Asian Powers, to England, to Germany and France. This is sufficient cause for actual war of all of Asia against the United States. My Natural Rights of Life, Liberty, and Pursuit of Happiness were *most definitely not granted by the American Government*. If you check the US Declaration Preamble, you will find, quite clearly written that it is my *Creator* who granted me my Natural Rights. And your duty, your Constitutional mandate, and your obligation sworn to uphold the United States Constitution, was to secure my Natural Rights. And the horrific harm to me is cause for war of every single Asian nation against United States of America.
