

**I PLAN TO ERASE THE UNITED STATES OF AMERICA IF
UNITED STATES GOVERNMENT DOES NOT WIPE OUT BILL
GATES**

ZULFIKAR MOINUDDIN AHMED

If you don't understand English, United States Government, I feel bad for you sonny boy, but I am making myself plain and clear. Bill Gates used US Industrial Meta to harm my body with all sorts of drills and everything. I am beginning to gain conviction that you, the United States Government are a *Genocide Operation* hiding behind think talk of justice and republic and all that. I do believe in US Declaration Of Independence Preamble.

Kindly destroy and wipe out this career racial murderer Bill Gates immediately.

Let me repeat this because you seem to be remarkably unable to understand the English language: *If you do not totally wipe out Bill Gates and destroy his evil empire immediately, I will tell the whole world that you are a Genocide Operation pretending to be a legitimate government, and I will erase the United States of America from the map.*

I am a man of Great Conscience and will not tolerate my beloved people the *human race* be threatened by any massive Genocide Operations. I will face all sort of embarrassing situations after I die and I would rather avoid that. I have a reputation for being quite good to Angelic Races.

Thank you,
