

**MITCH MCCONNELL WASH YOUR HANDS OFF MASTER  
RACE WHITE SUPREMACY IMMEDIATELY**

ZULFIKAR MOINUDDIN AHMED

Mitch McConnell, Bill Gates has been trying to kill me destructively for more than a year. We are in mortal fight to the death ok? I don't have time for amateurs. Wash your hands off Master Race claptrap, apologise to the American people. Shed crocodile tears for all your sins or whatever and get the fuck out of my way. I don't take responsibility for your tragic death if you don't do those sorts of things. Stay the fuck away from Master Race nonsense. Europeans hate it. They were destroyed for this nonsense. I won't keep warning you.

Have you read *Lovesong of J. Alfred Prufrock* of T. S. Eliot. Mitch McConnell? You're no Hamlet. You're a Polonius. Stay out of the way. Seriously.
