

LOOK I WANT MY WORLD ORDER PLAN IMPLEMENTED

ZULFIKAR MOINUDDIN AHMED

I want to see a mutual defense pact with Germany, France, England and Russia, China, and Japan. It's my plan. I want it done. What do you think? Zulf does not work hard on coming up with plans to saving the human race, my beloved people from harm and war so you lazy people will not implement it. I want also a Natural Rights Security World Order. I want it done right away.
