

THE FATEFUL DAY WHEN A WHITE SUPREMACIST WAS CALLED A COCKROACH

It was a hot August day in Allen Texas. The weather was weltering, and Zulf was waiting to hear from ECB about a job but Bill Gates got in the way in meta. In those days of 2020s only white supremacist haters called other people cockroach, but Zulf turned the tide.

1. FIRST LETTER

BILL GATES I WILL SHOW YOU POWER STUPID COCKROACH Inbox
Zulfikar Ahmed [zulf@thyseldna.com], 6:16 PM (40 minutes ago)

Bill Gates,

I instill the power of fate of the universe. You are just a COCKROACH. I will totally wipe you out and erase you from existence. A COCKROACH you are, Bill Gates. Just a COCKROACH.

Thanks, ZULFIKAR MOINUDDIN AHMED

2. SECOND LETTER

AND I DID IT MY WAY Inbox

Zulfikar Ahmed [zulf@thyseldna.com], 6:44 PM (14 minutes ago)

And now, the end is near And so I face the final curtain My friend, I'll make it clear I'll state my case, of which I am certain I've lived a life that's full I traveled each and every highway And more, much more I did it, I did it my way Regrets, I've had a few But then again, too few to mention I did what I had to do And saw it through without exemption I planned each charted course Each careful step along the byway And more, much, much more I did it, I did it my way Yes, there were times, I'm sure you knew When I bit off more than I could chew And through it all, whenever there was doubt I ate it up and spit it out I faced it all and I stood tall And did it, did it my way I've loved, laughed and cried I had my fill, my share of losing And now, as tears subside I find that it's all so amusing And to think I did all that And may I say not in a shy way No, no, not me I did it my way For what is a man, what has he got If not himself, then he has naught Not to say the things that he truly feels And not the words of someone who kneels The record shows I took all the blows And did it my way

Yes so I did call a white supremacist a COCKROACH today. I called Bill Gates a COCKROACH right in front of the world. Now let's see what is the significance of this. I have been called a cockroach by white supremacists on Facebook but this is a bit different. It was in retaliation to some ugly meta where he pushed me into the mud with some heeled feet and I decided to COCKROACH the fuck and tell him I embody the power of fate of the universe.

Now in defense of COCKROACHES, they are just living organisms, not Demon Souls who harm others of his own species frivolously. So I did it my way, and I do apologise to the COCKROACH species for insulting them with calling BILL

Date: August 11, 2021.

GATES one. He is much worse than a COCKROACH but in the end all things will come to an equilibrium.

Thanks, ZULFIKAR MOINUDDIN AHMED

3. NEW ELEMENTS: POURING SALT AND VINEGAR ON BILL GATES' WOUNDS

As you see in the two letters, I feel that white supremacist hate speech of just considering people cockroaches was not really fulfilling to me, and so I had to sing "I Did It My Way" of Frank Sinatra and apologise to Cockroaches for comparing them to Bill Gates. And that is a more organic package, something more respectable than just calling people cockroaches. You see, I don't think this actually works. If people keep yelling "You're a cockroach, you're a cockroach." They might feel that they are superior to you but I would not think so. I remember this once in a friend's Facebook page where a white man started calling me cockroach. I had never actually heard that before and I was not thinking to myself, "Eww disgusting, I am a cockroach." I was thinking, "What a stupid man, he thinks I am a cockroach. That's quite strange. Is he on psychedelics? Sometimes I thought people are Antelopes on psychedelics but it's rather dumb. Obviously people can't be cockroaches dumb fuck." Later I learned that this is part of white supremacist hate speech. So I don't like those comparisons with animals without a sort of fairy tale or other imaginary point of view in the end. This particular set of emails I think are chic, more avant garde, and more interesting.
