

US EXECUTIVE BRANCH IS RISKING DRESDENNING OF WASHINGTON BY DELAY ELIMINATING BILL GATES AND HIS CO-CONSPIRATORS

ZULFIKAR MOINUDDIN AHMED

Alarm bells are ringing all over Europe and Asia who already know that Bill Gates and his Co-Conspirators had used hard German meta and hid huge German War power by violating the deep interior of an American man, myself, of Bengali-Persian ethnicity to test out their various powers to enslave non-whites. This is a worse racial threat than Nazi Germany for the world. And sooner or later, the world will be willing to totally rubble Washington along with Bill Gates and his Co-Conspirators because the world is sensible, and world remembers what happened when the Nazis took control of Germany.

Let me show you Dresden to put things in context; this is from a raid of February 13 1945.

I protested for many months the war in Iraq. I am not a fan of wars. But if US Executive does not do what is right for the American People, and wipe out these conspirators against US Declaration Natural Rights orientation that is universal, I will consider it the world's *duty* to do what is right for the American People and the Human Race and do this to Washington because Racial World Order is not acceptable. It would be a small price to pay to secure the Human Race Liberty, Life, and Pursuit of Happiness.

If US Executive Branch is corrupted by these evil racial supremacists, then it is the right thing.
