

**YOU ARE RESPONSIBLE FOR HANDLING YOUR OWN
CONSCIENCE AND ZULF IS NOT**

ZULFIKAR MOINUDDIN AHMED

I am a man of Great Conscience and I serve my beloved people the Human Race with great virtue, Honour, and Integrity. I do it out of my Great Love for my people.

How you handle your own Conscience is not my business. I have enough difficulty with handling my own, and cannot take responsibility for anyone else's Conscience.

If you do the wrong thing for the world and have difficulties even looking at yourself in the mirror in the morning filled with shame and disgust at what your decisions and irresponsibility had caused, be assured that I will most certainly not be there to comfort you. I don't really give a damn if you are feeling small and miserable because you decided to sacrifice your own Conscience for whatever menial things you felt were more important.

It's cold, I admit, but I am comfortable with my position.
