

ZULF WILL COMPETE WITH LOVE AND AFFECTION OF SWEDES AND DANES WITH BILL GATES

ZULFIKAR MOINUDDIN AHMED

I will be blunt here. I am interested in competing with Bill Gates for the love and affection of Swedes and Danes. Let's review what I had done for them versus what Bill Gates has done for them.

First of all I chose a beautiful Danish woman I met at MIT in 1999 as my lover and she was my princess and I treated her exquisitely well. Has Bill Gates done this? I don't think so. He's awful at romantic love.

Second, I just gave Denmark and Sweden a nice way of having good relationship with Organisation of Islamic States, which is a \$6.5 trillion GDP region using their lack of involvement in the anti-Islam Crusades 1100-1300 which is remembered in Islamic world with some bitterness. I gave them ideas about how they can benefit from friendly relationships even after two decades of wars planned by Washington. That's great for their \$350 bn and \$550 bn economies.

Bill Gates is a racial cat and they don't want that.

Let's go. What are you going to do for Denmark and Sweden to compete for the love and affection, Billy Boy?

Did you ever get flowers and ask any Danish or Swede to wear it on her hair? Huh?

I didn't think so.
