

ALL FINANCE LEADERS IN THE WORLD SHUN BILL GATES TOTALLY FOREVER

ZULFIKAR MOINUDDIN AHMED

All Finance leaders on Earth. I am a Finance professional and I have be assaulted with US War meta, had my deep interior assaulted with Conquest and Enslavement meta, and had my career destroyed by him. We are a single tribe, Finance leaders. We will ask for your deaths in the streets if you have any friendly relations at all with the Enemy.

I repeat Bill Gates has harmed a Finance professional with literal US War meta, and destroyed my career. Any Finance leader found to consort with the Enemy I will ask all Finance tribe on Earth to call for your deaths.

You think this is a joke? Dealing with an Enemy of Finance is a moral betrayal that is intolerable to all human beings. It's like a man being best friends with his sister's violent rapist. Those things are not tolerable.
