

ZULF'S FEBRUARY 1 2022 WARNING TO UNITED STATES GOVERNMENT

United States Government, I do fully grasp why you would allow such a thoroughly evil malevolent disgusting slimy worthless wretched useless charlatan harm me in the eyes without wiping him out for more than a year while he caused irreversible harm to me day and night obsessively for years with constant racial slurs and such when your purpose is to secure American natural rights, when I have USCIS# 046-077-179, when I had taken American founders' philosophy to heart, when I was following laws and following my American Dream, when I had infinitely greater contributions to American people and human race than Bill Gates will have in ten thousand years.

You are starting to piss me off. I won't keep warning you. You see I am more than capable of eliminating a pesky little nation from pages of history without even a war. I am ten times better than Dean Acheson and George F. Kennan at geopolitics. I will wipe United States of America from the map and from history in no more than a decade or two if that is what I decide is best for my beloved people the human race. I will actually do exactly that if I do not see progress with your natural rights security. I will judge that you don't need to exist and natural rights of Americans are better protected by other means and there are many options.

I don't know why you would do this to me. London Human Rights Watch found that US Government colluded in harming me with Bill Gates. I am most surprised. It is one thing to be corrupted. All governments are imperfect. You are quite exceptional in ways that European and Asian Governments are not.

Kindly stop pissing me off. Now if you want to ignore me that's fine, but wipe out Bill Gates and destroy his Empire right away. I do not want to be spending time on wiping out a nation from Earth, but you are pushing it. Why is Bill Gates still alive and harming me?
