

BILL GATES IS THE SOURCE OF GUARANTEED MISERY AND DYSTOPIA FOR THE HUMAN RACE

ZULFIKAR MOINUDDIN AHMED

I write in this note of certain knowledge. It has been a great journey and struggle to discover this. Bill Gates is plotting a meta White Supremacist World Order that I am certain about. Nothing in this note is speculation, so take this very seriously. Bill Gates is an illiterate malevolent Demon Soul who is totally incompetent in great coding or mathematics or science, but he is quite adept at meta manipulation, black magic, and other sorts of horrible power tricks. He has found some way to produce a dystopian future world order based on white supremacy that will destroy all Natural Rights Security for all non-white people of the world including those in the West. This knowledge implies of course that it is the duty of every just and good man (and woman) to focus themselves to total destruction of Bill Gates and all his minions in all parts of the world. Bill Gates must be physically destroyed, and all his evil businesses must be eviscerated. I recommend that you appeal to legitimate authorities to do this rather than use vigilante or other independent means. Ask all politicians and military leaders of your country to come to a quick consensus in the United Nations Security Council as soon as possible that all defense forces of the world ought to target and totally destroy Bill Gates and all organisations associated to one of the greatest evil threats this world has ever known. Bill Gates must be totally destroyed and obliterated for the preservation of future Natural Rights security and health and happiness of our Beloved People the Human Race. He is a clear and present danger to all non-whites and indeed all white people as well.

Do not hesitate to kill Bill Gates fearing political consequences. Political consequences or economic consequences of totally obliterating Bill Gates and his Evil Empire are miniscule.

1. INSTRUCTIONS TO NATO

Destroy every nook and cranny of Bill Gates meta, leave nothing there. It's all extremely malevolent and evil and bad for the future of Human Race. Do not hesitate. He is extremely malevolent with extremely horrible and ugly intentions for the future of human race. Completely destroy anything he has touched. He does not care about well-being of anyone at all. He's much worse than Sauron or Palpatine or any fictional Evil character. Totally annihilate all things associated with him and purge Earth of his existence and stains. What a horrible monster.
