

**ZULF GRATEFULLY THANKS HEAVEN FOR DISTRACTION
OF MY AUNT TO DRAMA INVOLVING BIDITA HER
BROTHER'S WIFE**

ZULFIKAR MOINUDDIN AHMED

My aunt was just outrageously abusive today. And I threatened her to be respectful and so on. Totally surprisingly she called up Bidita in London just now. She said so many things about her and Lamia my cousin as my uncle died in Dallas, in 2018 with ALS and they did not visit before his death.

I am so grateful to Heaven for my aunt is better of with dramatic conflicts and gossippy issues and not involved in abusing me. Heaven has intervened. Her son is getting married. Gossip issues are great.

I am a great man. My conflicts are with American Government and Bill Gates and involves World Orders. I cannot tolerate small scale gossip and never get involved with issues of Bidita and Lamia and whatever family drama. I am so relieved. She is such an impossibly ill-tempered bitch I am glad I did not hit her for her abuse today.
