

**ZULF DISCOVERED A WHILE BACK THAT BILL GATES’  
EXPLICIT PURPOSE IS TO PREVENT MY SUCCESS IN  
AMERICA**

ZULFIKAR MOINUDDIN AHMED

July 3 2021. I want to record that the US Four-Star Generals who had backed Bill Gates before are aware from his own confession in meta that his purpose is not just to harm me but to explicitly prevent my success in America. In other words, he would like to deny me Life, Liberty and Pursuit of Happiness directly and with effort. This purpose is of course anti-American, since the US Government is *obligated to secure these rights as part of its purpose of existence*. Bill Gates’ stated purpose is against all American laws and also American Civilisation values.

Given that Bill Gates holds these sorts of purposes against others, I move to push even harder with my argument to the American people that Bill Gates is an *enemy of the United States of America*, that Bill Gates *poses a clear and present danger to the Sacred Natural Rights of at least 100 million Americans* who are non-white, and therefore that it is *the obligation of the United States Government to destroy Bill Gates physically*. *I recommend relentless physical bombing of Bill Gates and ensure that his physical body is obliterated.*

*Whatever people think about Bill Gates is not true but based on deception. Not even one of his self-promotion videos has a single true story. He has constructed his self-promotion propaganda by carefully crafted fiction regarding his benevolence. In reality the man is malevolent, without any moral constraints, completely obsessed with greed for more and more power, is planning a World Order where blacks are re-enslaved and the other non-white countries are re-colonised. He needs to be physically eliminated altogether from Earth as a significant criminal threat to the American people and to the United States of America.*
