

ZULF'S ASIAN DEFENSE DOCTRINE FEBRUARY 13 2022

Asian Nations, I will outline some key Principles for Asian Defense Doctrine. The main theme is of course *Tranquil Asia*. I sent you the flag of Unified Asia before.

The first and last principle of Asian Defense Doctrine is that *the Source of all Wars In Asia Are From A Small White Supremacist Population in the United States Of America and nowhere else*. The intra-Asian war is virtually small. European politics will not lead to any wars in Asia. Russians are not going to do it again either.

Only American White Supremacists are plotting Wars To Dominate Asia Day and Night and Bill Gates is a colourful example but there are others.

So based on this certainty, put a lot of resources to support Asian-Americans here in America because these White Supremacists will be enthusiastic about *Civil War* to sack and enslave the Asian-American Minority. You want to be involved in *Domestic Racial Politics in America but not India and not China*. Asian Joint Defense Doctrine should have this policy of always getting your nose involved in Domestic American politics okay? Always interfere in American internal events, and never take your eyes off plots for more Wars in Asia. This is your source of Wars.

I am Zulfikar Moinuddin Ahmed, and I wish you the best. Try to avoid *Native American Genocide*. Those things happen when you pretend that anyone on Earth is as outrageously barbaric and vile and genocidal as part of the American white population. Those do not exist. Germans and English and Swedes and French are like Asians. Only American White People are totally outrageous. So pay attention.

Asia I need \$620 million in my Wells Fargo Account right away. Can you deliver. Bill Gates is not just a corrupt businessman. His aggression and genocidal tendencies for war is beyond the range of human imagination. He is far more savage than any Auschwitz butcher. His lifelong dream is genocidal conquest and enslavement of the entire Asian Continent, but he conducts war surreptitiously using meta powers. You discovered huge amounts of US War Power he had used directly against me. He is not just an ordinary criminal. He's a thoroughly evil Conscienceless Demon who literally makes *Sauron of Lord of the Rings* and *Mumm-Ra of Thundercats* and other mythological villains seem positively filled with Virtue and Benevolence.

He blockaded \$620 million of legitimate earning for me. Could you please actually deliver this amount. Grant it to me. I'll arrange something where you can collect it from ECB and others who are positive about my projects.

Date: February 13, 2022.

I am in horrible abusive situation in Allen Texas right now without any earning. Bill Gates starved all my earning and has been abusing his powers without any serious interest of United States Government to fulfill their obligations to secure my natural rights because Bill Gates has some friends and cronies high in US Government.

1. INSTRUCTIONS TO FRENCH YOUTH

French Youth don't do anything eccentric or radical. Work on Eurasian Defense, and work in organised fashion. Work with Asia and keep coordination for all of Eurasia if you go against Bill Gates. They'll criminalise you and derail your life otherwise. Europe and Asia need joint defense. Then get *Eurasian Defense* to destroy Bill Gates. Don't ruin your lives by unwise decisions.
