I have asked you repeatedly to wipe out this miserable hick illiterate savage beastly cunt Bill Gates for over a year. He literally hollowed out my entire deep interior siphoning my Life Blood for a year. He used (a) US Industrial Power, (b) US War Power, (c) White Racial Power, and (d) European Black Magic Power forbidden in thirteenth century against myself when I got him something that made money for him. He denigrated my work while putting in \$2 billion. He harmed my body with US War Power that is forbidden by Nuremberg Trials even for prisoners of war. I am a man of great Conscience and promote a Natural Rights World Order.

I am not impressed with you, United States Government. You should have killed Bill Gates the moment he breached my Blood Meta. India relayed to you specifically that breach of blood meta indicates *criminal intent*. But I am still accosted by the miserable wretched lowlife cunt. He has blockaded \$620 million in legitimate income from Finance. He repeatedly says that "Whites Are Superior And Whites Have Power". What have you done for me with all your rhetoric about natural rights around the world. I don't think that 4.5 billion Asians will have their natural rights secured unless you can prove that you can take out malevolent entities like Bill Gates in this country. My natural rights are obviously worth more than the United States to me.

I have no apologies whatsoever for ordering a knocking out of United States if I perish from my wounds by Bill Gates. You are still in the tradition of Manifest Destiny. Natural Rights World Order is a natural development. I don't care for your thinking about the world order. If you cannot *deliver* then Asia and Europe will deliver my Natural Rights World Order. You seem crippled by your penchant for genocidal tendencies. Why don't you wipe out Bill Gates immediately? Asia invented Civilisation. You forget that too easily. I united Asia at the United Nations, symbolically, it is true, but Asia is more trustworthy till you show some seriousness of purpose. You're not legitimate till you secure my natural rights against vile savage barbaric racial murderers like Bill Gates.
