

**ZULF IS DEDICATING MY EXTREME SUFFERINGS BY VILE
DESTRUCTIVE ACTS OF BILL GATES TO MY BELOVED
PEOPLE THE HUMAN RACE**

Today is August 10 2021. I am in Allen Texas. More specifically 915 Meadowgate Drive, the house owned by my aunt Shamima Sadiq. Roughly over the past year I have suffered greatly due to the activity of Bill Gates who had cut into my eyes, transgressed past my Blood Meta and then into my Deep Interior and yesterday he inserted a massive amount of Pain into my body. The United States Government is reacting unenthusiastically still unwilling to simply eliminate Bill Gates by massive military force. In the past year I have been tortured with experiments every night instead of ordinary dreams and US Government did nothing at all. In fact US Security had orders under 'Protocol' to safeguard the health of the criminal Bill Gates and it was US Power that was harming my health for a long time till UN Human Rights complained.

I am dedicating all my actual suffering over the past year by the activity of Bill Gates to my Beloved People the Human Race. All suffering has value, and this dedication is fulfilling to me.

I looked just now at history of Jewish people in Europe and found to my horror that even though there were established Jewish communities in Europe from 321 in Cologne Germany but they were accused a thousand years later during the Black Death around 1350 of poisoning wells. That is just outrageous, just horrible and speaks of disintegration of European Society. Distrust that does not decay after a thousand years is quite dysfunctional.

Now Bill Gates is quite vile and just out of the blue without much justification attacked my eyes and destroyed my interior, attacked my body meta with US War meta and so on. These are totally outrageous when used against an American man during peacetime.

I am of course seeking justice, which in this case means forcing US Government to align itself to their purpose which is to secure American – and my – Natural Rights and eliminating and neutralising Bill Gates altogether.

It was the plebian morons in Europe just like Bill Gates who were behind the false accusations against the Jewish community that led in the end to the tragedy of the Holocaust in the 1930s. Bill Gates had lied outrageously about me, claiming that I have forged papers and such. He is just like those in Europe who spread rumours in 1350 that Jews were poisoning wells. I cannot stand these plebians like Bill Gates. They are dishonourable, vile, and beneath contempt. They are liars and deceivers, malevolent beyond all bounds, murderous and without an iota of integrity and honour.

1. BILL GATES' ATTACKS ON ME SIMILAR TO CLASSICAL ANTISEMITES

I was born in 1973 in the East, and I do not believe it is appropriate for men and women who are of noble birth to engage in barbaric vile acts such as attacking

eyes of someone and harming their interior and mind and such. But I know that classical anti-semites did those things in Europe, and some white Americans in early nineteenth century did those things here in America, and Bill Gates has been busy doing those sorts of things all his life. It is a travesty of the United States Government to tolerate such horrible abominable savagery in this country and far from doing the right thing, which is to eliminate Bill Gates with extreme lethal force, they had been concerned with giving him more power and honour. This is unforgivable for US Government and I, an American, am totally outraged by the relationship US Government has formed with this barbaric savage evil destructive monster Bill Gates.

I am in the know from consider of Madam Christine Lagarde of ECB that in fact the patterns of harm and damage done to me by Bill Gates follows those of European antisemites of the past. Bill Gates, in other words, is not just a greedy liar but also a creepy harmful Nazi type white supremacist in his patterns of harm in other people's meta.
