

**ZULF ACCUSES FEDERAL BUREAU OF INVESTIGATIONS OF
DOING UNREASONABLE SEARCH AND SEIZURE ON
NON-WHITES AND NOT NAB MALEVOLENT ACTUAL
CRIMINALS LIKE BILL GATES**

ZULFIKAR MOINUDDIN AHMED

Bill Gates just disrupted my meta engagement with MIT Sloan who are thinking of giving me \$1-2 billion to manage with the goal of expanding Thyself and producing goods and services to improve Life Satisfaction based on individual information from Survey and Genetic Uniqueness.

Bill Gates claims 'right to conquest' of an American man, myself with a Permanent Residency for 23 years. He does not want to leave my private meta.

Now I have been visited by FBI agents many times for all sorts of unreasonable situations for years. So FBI has plenty of time to harrass non-white Americans for no reason but they know that Bill Gates is a known malevolent lawless criminal who violated my Natural Rights using meta powers and they don't want to just nab and kill the Bad guy.

How is FBI actually securing Natural Rights for Americans if they are just observing when a real genuine Evil Bad Guy like Bill Gates is talking about 'right of conquest' on American soil and cutting up eyes of people but are not arresting and killing him, but they have all the time in the world to make random unreasonable search and seizure visits to all sorts of non-white people all the time.

Now don't get me wrong. I don't think they are the Bad Guys themselves. But they certainly are not doing their jobs if my Natural Rights are insecure while Bill Gates has not been arrested and killed.
