

**UNITED STATES GOVERNMENT IS 100% RESPONSIBLE FOR  
ALL HARM DONE TO MY BODY, MIND, LIFE AND CAREER  
BY BILL GATES**

ZULFIKAR MOINUDDIN AHMED

Bill Gates is like a rabid pit pull or some other dog that bites people and harms people by his nature. He is a rotten thief and robber and murderer and criminal. He was like this when he was two years old, when he was five, ten, eighteen, and all his life.

When a vile rotten scumbag who is a like a pit bull attacks and harms and American man on American Soil, whose fault is it. It is 100% clear that it is the fault of United States Government. You could have eliminated him instead of coddling him in early 1970s. I know personally that many many people in United States Government knew that he murders people and steals and harms people all day and all night.

It was your duty – Constitutional mandate – to secure natural rights of all Americans. Instead you decided to coddle and support this rotten scumbag born thief, murderer, robber, charlatan, and white supremacist scumbag. I am a Princeton educated man, and I am 49 and perfectly able to judge here who is at fault because it is obvious to any young child.

You should have eliminated a criminal racial murderer in the 1970s and instead you allowed him to murder and massacre and harm American people all these decades and suddenly you are surprised that someone calls you out on it.

Obviously every bit of harm to me by Bill Gates will be blamed on United States Government and you will have to pay literally trillions for this grave insolence that is a rotten scumbag criminal murderer is aided and abetted and given harbour by our own government. What else do you expect to happen?
