

ZULF OUTLINES A UNITED NATIONS RESOLUTION

ZULFIKAR MOINUDDIN AHMED

Dear United Nations Security Council,

Could you authorise UN Stormtroopers to ransack all American Government classified material right away to find violations of Article 34 violations. I gave you the lead that Bill Gates himself put in tens of billions for wars in Asia for a White Ruled World Order. You have the right troopers? Send in 100,000 of these types of guys. Search through all Classified and Top Secret Plans immediately.

If you don't have the right uniforms for stormtrooping classified plans of United States Government, just pay some royalty to Lucas Arts and get them made. I highly recommend the storm troopers for storming United States Defense and Pentagon looking for signs of war plans in Asia that are illegal by Article 34.

There can be no wars in Asia by American Government period.

In case they hear the song "This is Not For You" by Pearl Jam, they should remind Pentagon that it's a lie. They abscond \$768 billion of unaccountable money and so the line "Small my table fits just two" does not match up. These guys just gorge themselves using American People's money for malfeasance.

However, while we're on the topic, let's listen to "This is Not For You" a truly marvelous song by Pearl Jam.

Restless soul, enjoy your youth
Like Muhammad, hits the truth
Oh, can't escape from the common rule
If you hate something, don't you do it too

Date: December 6, 2021.

Too
Small my table, sits just two
Got so crowded, I can't make room
Oh, where did they come from?
Stormed my room
And you dare say it belongs to you
For you
This is not for you
This is not for you
This is not for you
Oh, never was for you
You
My friends call me
Friends, they call me
My friends call me
All that's sacred, comes from youth
Dedications, naive and true
With no power, nothin' to do
I still remember, why don't you?
Don't you?
This is not for you
This is not for you
This is not for you
Oh, never was for you
Fuck you
This is not for you
This is not for you
This is not for you
Oh, never was for you
You

Thanks,
Zulfikar Moinuddin Ahmed
