

**BILL GATES HAS UNILATERALLY DECLARED WAR ON ALL
ASIANS IMPLICITLY BY WAR CRIMES AGAINST ME
PERSONALLY**

ZULFIKAR MOINUDDIN AHMED

Bill Gates, I have discovered just now, through Stanford University consider, has used United States War Power and United States Industrial Power along with European Black Magic and White Racial Power to invade my Deep Interior with destructive harm.

He has done this for more than a year. United States Government's reaction despite many invocations of United States Declaration of Independence guarantee to secure my natural rights, since I am Asian-American, USCIS# 046-077-179, has been almost no response.

As my Asian brothers and sisters will remember, United States Government did not respond adequately to the war criminals of Vietnam, the Mai Lai Massacre. All Asian people both in the United States and elsewhere take heed. War has been declared against our bodies and our minds with vile destructive intent. The United States Government cannot be trusted to address this grave threat.

All of Asia must be on heightened alert and this vile destructive criminal Bill Gates must be destroyed by legitimate international efforts.

I repeat, war has been declared by brutal and savage actions by Bill Gates. He continues a tradition of genocidal destruction and murderousness that extend back to the treatment of Native Americans. No Asian on Earth can sit still while this grave threat persists. Bill Gates represents a threat with malevolent intent to all Asians with savage and brutal disregard for national and international laws and complicity of the United States Government.

I repeat War has been implicitly declared by destructive *action* and not only rhetoric. All of Asia must stand ready to secure our lives, livelihoods, and tranquil peace at all costs and seek total destruction of this Bill Gates.

1. JANUARY 31 2022: WARNING OF WAR

Bill Gates is an Evil Demon who was born on Earth in 1955. He is not human. Everything about him is fake. For example, he is not an intellectual genius. He is not a good coder. He did not have 1590 in SAT. He was an Evil Demon whose goal on Earth has always been enslaving people and ruling the world, which, by the way, is common among true Demons.

He has assaulted me in horrible brutal and destructive ways for more than a year. You, the United States Government, have done nothing to secure my natural rights which is your Constitutional mandate and your purpose. I am an Archangel of Heaven. I am not racial at all. I have been in America for 34 years.

Date: January 31, 2022.

This Demon Bill Gates needs to be not just destroyed but his *flesh* needs to be burned in pure fire so that his Evil does not spread and destroy the Human Race.

I have warned you repeatedly to destroy this Demon, *Bill Gates*. You are inviting war on United States soil by refusing to be a legitimate government. War will be the least of our problems if an actual Evil Demon in human form runs amok on Earth.

Kindly destroy Bill Gates physically and burn his flesh in purifying fire so that his Evil does not infect and destroy the entire human race. Otherwise, I have my Conscience and will eventually invite war in this land to handle this. Around 4.5 billion Asians are put under threat by this Demon, and eventually this Demon will leave all of Earth in cinders.

It's up to you. Do you want to be a legitimate government and secure natural rights of Americans, or do you want to be harbinger of Demons who have Evil plans to enslave Asians first and eventually all people of Earth?
