

## **I WILL STRIKE DOWN ALL WHITE AMERICANS IF I SENSE DANGER TO HUMAN RACE**

ZULFIKAR MOINUDDIN AHMED

I am Archangel and have to worry about the well-being of the Human Race. The well-being of eight billion souls is required. I believe in Natural Rights Security including White Americans. At the same time, I am not at the moment impressed with what morals White Americans have that would allow them to stand by while one of the most evil abominations that the world has ever produced, Bill Gates, cuts into my Deep Interior with malevolent intent for an entire year with unspeakable horrors and destruction.

You, White Americans, do not have infinite time. Either you will wipe out this evil being from the land of the living, or, eventually, I will not hesitate to strike all of you down. There is nothing you can really do to protect yourself if this has to be done. I am Archangel, and I will be driven by greater Conscience.

### **1. I DON'T REALLY CARE FOR YOUR CONVERSATION WITH BILL GATES**

England, France, Russia, China, and every other nation would have put him to death a year ago. You, American Whites I will hold responsible for producing this monster, and I will take steps to destroy all of your Deep Interiors as retaliation for this grave insolence.

There will be no turning back once my patience totally runs out. You should take the opportunity to ensure this monster is totally dead and not breathing any more. That is the only way to avoid the calamity that shall befall you.
