BOTH EYES WATERING AND INCREASE IN PROBABILITY
OF DEATH**

Dear World,

My eyes are now watering and I believe the horrible damage done by Bill Gates with extreme aggression where he used his powers to destructively invade my Deep Interior and he emptied it out with intention to repeat 'whites are superior' nonstop for more than a year and kill me after sabotaging my \$620 million legitimate earning from Finance by forbidding D. E. Shaw & Co. from paying me my compensation and then blockading tenure offer from Stanford and Harvard. His plan had always been to blame Covid or Suicide for my death.

I want to ensure that the world is fully cognizant that if I should die, it is neither because I have any sign of Covid. I was cleared of infection by Covid several weeks ago by tests from Mike from Life Path Systems and Jasmine Sackey who performed a test.

Despite repeated demands that the United States Government has to destroy Bill Gates because all of the acts of Bill Gates that led to the degeneration of my physical health were premeditated to kill me.

If I should die, it is Bill Gates and only Bill Gates who should be considered my murderer because his occupation of my Deep Interior with huge amounts of US War Power and US Industrial Power and European Black Magic Forbidden from thirteenth century and destructive exercise of illegitimate powers is the cause of my death and nothing else.

This vile, evil, disgusting, savage, abominable, racial murderer and charlatan, *Bill Gates* is not just a threat to myself but had revealed his plot of genocide of all non-whites in America. United States Government ought to have responded immediately a year ago but refused to do so because he has cronies very high up in United States Government.

I will ask both European and Asian nations to consider the veracity of my claims as they have power enough to consider and learn the truth, and I want a movement towards a Natural Rights World Order as it is very clear that United States Of America does not have a government that is willing to secure natural rights of Americans at home, and is disingenuous about their interest in natural rights security in Europe and Asia. Furthermore, non-whites in America will need additional security from United Nations as the United States Government is not willing to provide this.

Thank you,
Zulfikar Moinuddin Ahmed
