

**AH! AH! ALL MEN ARE CREATED EQUAL THERE WILL BE
NO SUBORDINATION BASED ON ETHNICITY AT ALL IN
THIS WORLD**

ZULFIKAR MOINUDDIN AHMED

My Beloved People the Human Race,

Ah! Ah! All men are created equal. In fact the genetic code in common G_c that is common to all people of East and West is 99.9% of every human being. I will not tolerate any subordination on this world based on ethnicity.

What do you take me for exactly. I am an Archangel. Do you think an Archangel produces rubbish World Orders. No I forbid all subordination based on ethnicity on Earth.

1. INEQUALITIES DO DEVELOP BETWEEN PEOPLE BUT LAWS AND
INSTITUTIONS CANNOT TOLERATE THEM

I will be patient and explain this subtle issue. You see, the truth is that all men – and women – are *created* equal because the genome at conception of an impregnated egg of a human woman is virtually exchangeable with almost any other. Therefore truth is that all men are created equal. It might then be natural that some develop differently afterward. Maybe one is stronger and taller and the other is more cerebral and non-physical after birth. Whatever inequalities might arise in lives of individuals, no institution of law or governance will survive if *they* are not egalitarian in their outlook towards vast populations. This is why in the sixteenth century Lady Justice acquired a *blindfold*. The principle is that in front of Justice, all are equal. Now some will be cynical and say well money will corrupt this. This is corruption that will inevitable destroy the institution because the truth tyrannises over experience possible in the universe, of politics and in every other way.

It is a foolish man who believes any institution of governance or law will survive for a long period while being corrupt in this way.
