

**ZULF IS SEEKING TOP MULTI-ETHNIC LEGAL TEAM TO
EXTRACT \$ 1 TRILLION FROM US GOVERNMENT**

ZULFIKAR MOINUDDIN AHMED

1. BILL GATES HAS DONE HORRIFIC HARM TO MY BODY AND SOUL AND LIFE
AND CAREER

Bill Gates has plans to rule the world and he took the opportunity to cut into my eyes and do huge amount of damage to my interior, life, career, etc.

Now he is too puny for me with only \$0.13 trillion. But since the US Government is contract-bound to secure my Natural Rights and failed, I will demand \$ 1 trillion from US Government for their failure to stop him. I want a top notch legal team that can extract \$ 1 trillion from the US Government. I don't want any flim-flam. I don't want \$20-40 million settlement. I want a team that can extract \$ 1 trillion, no less. This is a unique opportunity to improve the country and the world and get some income for it.
