

INSTRUCTIONS TO EUROPE: NOVEMBER 24 2021

ZULFIKAR MOINUDDIN AHMED

Europe, as you know I am asking Asia to unify defense immediately. White Racial Domination World Order threat is severe. I want you to make a mutual defense organisation immediately with Russia, Japan, China, which will in the end be with Asian Defense.

Totally deny any American efforts to even send a small drone for offensive operations in Asia. Europe has been complicit in horrible wars in past two decades when Muslims had *no hijacking involvement* in September 11 2001 at all. I do not want to see Europe get drawn into a war in Asia. I'll holo1caust all of Europe in three minutes if I see that.
