

**NEITHER DO I GIVE A DAMN NOR BILL GATES AMERICAN  
WHITES IN GOVERNMENT WILL EITHER SECURE MY  
NATURAL RIGHTS OR BE TRIED AS CONSPIRATORS OF  
WAR CRIMES**

ZULFIKAR MOINUDDIN AHMED

American Whites in Government should be aware that your Constitutional duty is to secure American natural rights, for both whites and non-whites. You have failed to do this consistently for more than a year in which my life has been destroyed by Bill Gates. You will have to take the blame for all of it. I don't give a damn about what happens to you at all because it's not my headache. I don't break American laws. Bill Gates is a racial mass murderer. Why was he even alive after 1970s? I was born in 1973 and by Immigration Act of 1965 you ought to have learned that it was your sworn duty to uphold the Constitution and your purpose was to secure all American natural rights. Why was I almost killed in November 4 2021 by this racial cat Bill Gates? And why is it that after more than a year he is still free and happy harming me and obstructing my legitimate income of \$620 million from Finance? It is because you don't know what your job is, and you will have to pay a very great price for harm to me due to your incompetence. Whether by incompetence of by malevolent racial hatred towards non-whites, you have *facilitated, aided, and abetted the monstrous horrible and evil destructive, savage, and brutal* crimes of Bill Gates against me.

**1. I AM INTERESTED IN NATURAL RIGHTS AND GLOBAL PEACE**

I am interested in global peace and harmony, but not at the cost of having racial mass murderers with \$131 bn of personal wealth running amok in America. Peace is only possible when the most horrible murderers are either locked up and killed. It will never be possible if people in the American Government adore and respect these charlatan pathological lying murderers all the time ok?
