

LET ME TELL AMERICAN WHITES A STORY

ZULFIKAR MOINUDDIN AHMED

It is story time for you, American Whites. You see, Europe's history is long. It's not as long as Indian or Chinese history, but it's long. In the long history of Europe, you can find that European Jews, who are actually just European but not Christian, have had communities from 250 AD in Germany. They were considered 'outsiders' by some Europeans. And they were mistreated in various ways for two millenia culminating in the Holocaust of Nazis.

So you are mistreating me right now. You are allowing a criminal White Man, Bill Gates, harm me. White Americans in Washington Executive Branch are not willing to protect my Natural Rights at all when the oppressor is a rich white man.

You look at my Permanent Residency, USCIS# 046-077-179 and perhaps you say, that is true that the federal government does have to consider this man, Zulfikar Moinuddin Ahmed, an American. But that's just a technicality. We'll let Bill Gates harm and kill him.

The trouble is that I am not Jewish. You say, well, who cares, he's Bengali-Persian. Well let me tell you something. My people are the entire human race, and if I went ethnic on you, your 200 million American whites of heterogeneous ethnic whites would be roughly the same as 228 million Bengali people. But unfortunately it won't be 228 million Bengali people who will become your nightmare but 4.5 billion Asian people.

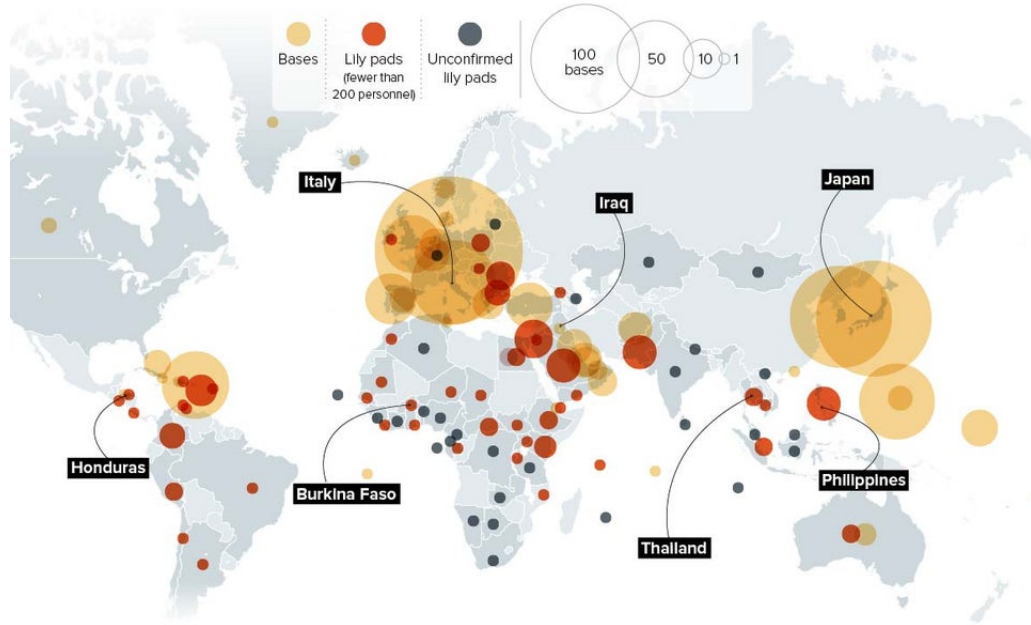

You see I don't play ethnic mumbo jumbo. But you want to play ethnic mumbo jumbo I will get 4.5 billion Asians to play with you. Your 200 million white Americans will be so squished so fast you won't even know what happened. We are not Jewish minority in Europe. Asia is half the world stupid idiots.

1. LOOK YOU UNDERESTIMATE ASIAN PEOPLE TOO MUCH

Asia did not want Korean War. Asia did not want Vietnam War. Asia did not want Iraq and Afghanistan War. So you want to play this game and keep provoking people did not want war at all and you invaded Asia. And now you let an Asian-American man be harmed by Bill Gates continuously repeating racial slurs. And you don't think that this will lead to Asians getting fed up with American Whites and militarising and invading America to defend their people? You really think that your control of all things is so good? So how did you lose in Afghanistan? Those guys don't even have reasonable military units. You lost after 20 years of all sorts of strategy with your whitely superiority dominance.

Kill Bill Gates. Don't annoy Zulf.

2. LET'S LOOK AT AMERICAN BASES

Do you really think, American Whites, that you can manage to control Asia at all if the Asians believe that Asian-Americans will be oppressed arbitrarily and United States does not stand by Natural Rights Security for people of Asian origin at home?

You see, statecraft requires more than ethnic superiority theories. If America does not stand for what US Constitution says, Asian people will get together and consider American White people severe dangers to their lives and then all the kings horses and all the king's men cannot put America back together again.
