

## **I WANT PENTAGON WAR CHIEFS TRIED FOR TREASON US SUPREME COURT**

US Executive Whites were ordered by John Roberts the Chief Justice of Supreme Court to enforce all laws, including criminal laws against Bill Gates. They decided to authorise use of lethal military force and task Pentagon to execute United States Capital Crime laws.

Pentagon War Chiefs did not have any authority as this was not in their discretion. I want US Supreme Court to try them for Treason for failure to comply with US Executive Branch orders.
