Bill Gates, the Microsoft Founder used extremely racially motivated power maneuvers against my personal meta and I do not believe that – because of these efforts and only because of those efforts – I will not survive physically because my physical body is not able to tolerate the power-abuse and will eventually fail.

I want the world to know that I did what I could to secure a natural rights world order and I do love my beloved people the human race.

I do not want anyone to think that the cause of death was anything other than extremely racially motivated hateful exercise of massive amounts of (a) US War Power, (b) US Industrial Power, (c) European Black Magic from thirteenth century and (d) White Racial Power that was the cause of my death, if it is to occur.

I am not, and have never been, suicidal. It is not COVID. This man, *Bill Gates* is not worthy to be alive at all, is a *extremely grave danger* for lives and livelihoods of 100 million non-white Americans and billions worldwide, and United States Government is illegitimate enough to be dissolved and abolished for allowing this miserable charlatan evil low scumbag live at all. He is not a genius at all. I am but he is not. He is a total evil criminal con man.

1 US Government Officials Who Colluded With Bill Gates On The Racially Motivated Murder By Bill Gates Must Be Tried For Treason And Not Only Conspiracy To Commit Murder

The United States Government cronies of Bill Gates who colluded to employ their United States Government Power to assist my murder planned and discovered by United Nations Human Rights Council must be considered traitors to this Nation and executed for Treason rather than only Conspiracy to commit murder.

The destruction to my meta necessary for survival is too extensive for my physical body to compensate for the harm.

The world cannot allow this malevolent racial murderer and Conspirators to collapse the Republic for a global Racial Oligarchy from succeeding. One hundred million Americans and 4.5 billion people's lives will be put in peril. Bill Gates and his various Co-Conspirators should have been apprehended and brutally slaughtered but the United States Government is too corrupt and instead I, a law abiding American following my American Dream was accosted.

2 My Achievements Are Infinitely Superior To Bill Gates

My own achievements, in Science and Finance certainly, but also in Universal Human Moral Nature and vindication of Aristotle's Virtue-Eudaimonia Theory are *infinitely superior* than the entire life's achievements of Bill Gates. He is not an intellectual genius at all but a malevolent low charlatan who ought to have never been allowed any support by the United States of America. He is a thoroughly evil criminal and is quite the opposite of any *philanthropist*. He is a misanthropist and a sly deceptive destructive savage barbaric misanthropist who means ill for the human race. He has put in tens of billions into provoking illegitimate (by United Nations Charter) wars in Asia, continuing the *Asian Manifest Destiny Project* that had continued from Korea, Vietnam, Afghanistan, and Iraq. As you must already know, Muslims had nothing to do with 9/11 and it was from the beginning to end the work of Israel's Mossad. The Muslims were blamed, even though there was no hijacking at all during 9/11. The plot was to trigger war plans in Washington that existed already.

There will be efforts for more wars in Asia. The United States Government is extremely corrupted and I will ask that these issues are handled directly, especially if die from injuries and harm sustained from the brutal and murderous power assaults against me by Bill Gates.

3 Using US Industrial Power and US War Power And European Black Magic Power Against An American Man's Deep Interior Is Not Superior

Bill Gates obsessively repeats in meta 'Whites Are Superior' but his conduct, of violating United States Criminal Law, of violating International Criminal Law, to apply huge amounts of US War Power, US Industrial Power, and European Black Magic Power (whose purpose is harming individual health) is not superior at all and has nothing to do with whites at all. It has to do with the sort of cat Bill Gates is.

I have personally verified that the moral values distribution of white Americans is not particularly different from those of all other people of the world. Bill Gates is extremely abnormally Evil and Malevolent, and so he has been murdering Americans at will for forty years using illicit powers that are prohibited from use against individuals by US Declaration of Independence. His mere *existence* threatens the Multi-Ethnic Classical Liberal Democratic Republic. He must be totally destroyed so that United States of America may survive and prosper. He brings existential threat to this nation and makes a mockery of the principles that have founded this nation.
