

UNITED STATES GOVERNMENT AND BILL GATES YOUR BLACK KING IS ON CHECK

ZULFIKAR MOINUDDIN AHMED

The White People in United States Government do not seem to understand. Look, white people in United States Government and Bill Gates: *Your black king is on check. Your black king is on check. Your black king is on check.*

Let me show you how this works.

You see, I am the White Knight, representing white chess pieces, not ethnicity. You're the black side. I have your *king* in check. In this picture, it's checkmate.

1. YOUR MOVES ARE LIMITED IN CHESS

In chess, when your *black king is put on check by white knight* generally you have to move the king or eliminate the knight. That's the special situation with knight-checks. Knight checks are different from other power checks.

I want you to understand the board in the world, not the one in the picture.

Date: December 17, 2021.

2. WHAT IN THE WORLD DO YOU MEAN?

Well, United States Government and Bill Gates, you are playing with Zulf, an Archangel of Heaven. The board is the whole world.

You see, I invoked the United States Declaration of Independence Preamble, the founding charter of the little Nation States known as United States of America.

Hold on, you say, "We'll kill you for Treason. You're on American Soil and what are you doing with Asia!" But that's not going anywhere. You see, I don't *represent* Asia at all. I represent *Heaven*. Let me make this clear to you. You are now playing against *Heaven*. Your move or mine?

3. YOUR BOY BILL GATES IS YOUR PROBLEM NOT MINE, NOT ASIA'S AND NOT EUROPE'S

You see, United States Government, Bill Gates is a racial murderer. You might think he has value or he doesn't have value. He is an American Citizen, and so he is *your headache*.

Now consider the scenario that you find yourself in. I am Asian-American with no record of any serious violation of law. Two undetected shoplifting in New York City of minor items, sleeping in a park bench after hours, not even traffic violations. Held senior roles in industry 1995-2008. Being assaulted for destruction by one of your boys, an extremely hateful racial murderer by habituation of forty years. Illiterate, charlatan huckster. I am a stellar Princeton graduate still able to get past Stanford Mathematics Ph.D. Qualification problems despite being rusty at 49. I invoke US Declaration of Independence Preamble. Now Human Rights Watch London discovers you *colluded with Bill Gates* to murder me.

Now the moment Europe and Asia verify this, they will put it in all their textbooks for children. And then what happens. Do you think you will be able to handle 0.7 billion Europeans and 4.5 billion Asians all thinking it is canonical truth that United States Government, founded on US Declaration of Independence Preamble, deviated from the founding Charter so much from 1950 that they were never able to return?

That is a pure checkmate. You can pump up your so-called Defense spending to \$4 trillion per year and still have no ability to produce any world order at all. Your Hegemony will be history.
