

BILL GATES IS A TOTAL MORON

Look, Billy Boy, buddy, you are an English-Scottish ethnic. Why didn't you just do some great work and get a Harvard tenure and ask for a piggy bank with Bank of England right after Prince Charles died and gotten the favour of the English Queen. You stupid numbskull. I knew you didn't know what you are doing. Prince Charles was seven years older than you. You could have been a legitimate power in the world. Instead you are chanting whites are superior while Zulf, who is a Bengali ethnic American immigrant is stealing all the cookies from right under your nose. Do you really think English Aristocrats murder all sorts of people all day with black magic and keep chanting 'whites are superior'?

Listen to this. Listen to this.

What is that sound high in the air Murmur of maternal lamentation
Who are those hooded hordes swarming Over endless plains,
stumbling in cracked earth Ringed by the flat horizon only What
is the city over the mountains Cracks and reforms and bursts
in the violet air Falling towers Jerusalem Athens Alexandria
Vienna London Unreal

My sister died in 2017. Do you understand maternal lamentations Bill Gates? Who are those hooded hordes swarming over endless plains, stumbling on cracked earth, ringed by flat horizon only? You don't even know, do you? On Margate Sands. I can connect Nothing with nothing. The broken fingernails of dirty hands. My people humble people who expect Nothing. Do you know them, Bill Gates? Why don't they respond to your heart-cries? You see, Bill Gates, there is eternity. And in eternity, frozen is the story of my beloved people, the human race, their span across the ages, the fabric of the cosmos can hear their agony and sufferings. And you?
