

WELL I RESPECT JEFF WALL SO I WILL TELL YOU

ZULFIKAR MOINUDDIN AHMED

I don't know exactly if it was the real Jeff Wall or not, but I spent some time in my dream with someone like Jeff Wall, and he was doing some cool artistic things with geometric cuts of newspapers and layers. I told him Mossad did 9/11 after a while. I did see I was surrounded by Israelis but I don't really care about that. You see, for me it's a small thing. Mossad set up explosives when Larry Silverstein leased Twin Towers, and executed remote control commandeering and faking phone calls from the planes well. New York Times put pictures of 19 terrorist hijackers. None of them had anything to do with any hijacking of planes at all. Mossad did not do it out of particular animosity towards Americans either. They knew that the Genocidal White Americans were planning Middle Eastern Wars. They did it to trigger them with public support for hatred for Middle Eastern people. And next up is East Asia again. I am getting mighty sick of this. They did that in the nineteenth century to native Americans. All of twentieth century they have been preparing for doing this to Asians. First Koreans, then Vietnamese, then Arabs.

All Asians are dear to my heart. I asked Asia to produce nuclear defense plans to wipe out all American cities simultaneously if even a small hair is touched in any part of Asia. These Genocidal White People will not stop otherwise. Totally savage destructive people. I am Asian. Asians invented Civilisation you stupid little shits.

1. FINE SO MY HAND IS FORCED AND I NEED COMPASSION FOR AMERICAN GOVERNMENT WHEN THEY SECURE 330 MILLION NATURAL RIGHTS

You see, Jeff Wall, I can seek extinction of American Government *and look very good* so long as American Government is *illegitimate* by not securing my natural rights and that of 330 million Americans. Now if they *reform really fast* and secure 330 million American natural rights, I don't want to get caught in a trap and be less legitimate than them and be seen as a man who is selling tickets to God in the streets. In order to avoid that I immediately show heart and compassion for American Government magnanimously just in case they actually do secure my natural rights. That way I can bluster about total extinction of American Government all day and all night and no one can do a thing and the moment they actually secure natural rights I can claim to be filled with compassion at the fragile and misguided American Government and quickly forgive them their errors out of great compassion. It's foolproof.

2. JEFF WALL MARTIN LUTHER KING JR. WAS SPOT ON

In Birmingham Alabama Dr. King noted that it is the *white moderate* that is the facilitators of the Genocidal American Whites. They act as deceptive front-line that seduces non-whites and gives them a false sense of trust and friendship. That's

when the genocidal whites come with war machines, diseases, murderous hearts and suddenly all of your world is burning in napalm. I am not naïve. I know this all too well. I will disallow a single Asian hair out of place by genocidal American white people.
