

# INDEPENDENCE OF ETHNICITY AND MATHEMATICAL TALENT

ZULFIKAR MOINUDDIN AHMED

There is no a priori connection between two variables of individuals. Let  $X$  be the random variable that measures mathematical talent. Let  $Y$  be the random variable that measures ethnicity of the individual. I claim that their correlation  $\rho(X, Y)$  has (a) no statistical significance, and (b) the hypothesis that they are linked in any nontrivial manner is a scientific hypothesis that will be refuted strongly almost surely in various precise senses.

I claim that this is a general phenomena and if we replace  $X$  with measurements of other sorts of talents, the same will be true.

Now I think this is clear and obvious, but it is worthwhile making this obvious textbook knowledge because many deluded and ignorant and illiterate people, inferior in intellect such as Bill Gates propagates lies regarding these issues.

I will provide further precise sense to this in the future as this seems to be a stumbling block for the current *Primitive Age of Man*. I want these to become textbook Science in the future across the globe that is reinforced for every schoolchild.

## 1. CLEAR UNDERSTANDING OF IDEOLOGICAL CONFLICT BETWEEN MYSELF AND BILL GATES

For his white supremacist ideological position, Bill Gates holds that non-white people are inferior.

From my universalist ideological position, I obviously scoff at his menial intellect and claim that he is inferior to educated people like myself.

I have a magna cum laude from a world class university, Princeton University from 1995, while he is a hick charlatan without any college degree from podunk Seattle. So I am superior to him and I claim that ethnicity has little to do with superiority or inferiority in (a) intellect and (b) moral virtues. In both of these I am superior to Bill Gates.

## 2. BILL GATES SHOWS SYMPTOMS OF BIRD-LEVEL INTELLIGENCE

Bill Gates seems to believe that repeating "Trivia trivia" resolves all difficulties in Mathematics, Physics, and other endeavours of intellect. This I will claim is evidence of his bird-level intelligence. He repeats that four-sphere theory is "trivia" while four-sphere theory exceeds understanding of Newton, Maxwell, Einstein and Schroedinger. He ought to explain to the world how repeating 'trivia' would solve any difficult intellectual challenges at all. I have never tried his method myself, but I do not believe it would be effective intellectual method on almost any problem at all.

Obviously I laugh condescendingly, dismissively and derisively at the pathetic intellectual midget Bill Gates.

### 3. MY ASSESSMENT OF AMERICAN WHITE PEOPLE JAN 24 2022

I am in a clear sense one of the greatest geniuses of Science in the history of human race. This will become clear in the next century or two as the eternal robustness and correctness of my Four-Sphere Theory is repeatedly confirmed in experimental measurements.

Naturally historians of Science in the future will be curious to know my opinions about various matters. I will prefer that they do not guess and attempt to *infer* my opinions, since this will not be correct and so I will do some of this right away.

First of all I am not ethnicity-oriented and *do not* have any hostile 'anti-white' attitudes. My ex-wife Natalia Brizuela was Argentine-American with an Irish-American mother from Pennsylvania and her father was Spanish and Argentine. I regarded her highly enough to marry her and was happy with her for some years. I do not measure people by their ethnicity, either white or non-white.

Now Bill Gates is one of the most evil beings who have ever existed in a human body. In the entire history of humanity, Eurasia never produced anything more vile and evil and disgusting as Bill Gates. I will immediately compare him to Adolf Hitler. I am not a pro-Nazi Germany man. I am glad they were defeated. Adolf Hitler was a misguided man, and he was not a good man in many ways. But Bill Gates is much worse a man than Adolf Hitler. Let me repeat, for I do not say this in jest. My assessment is that Bill Gates is many orders of magnitudes worse than Adolf Hitler, and that is my serious opinion.

American white people are not significantly different – for better or for worse – than the rest of my beloved people the human race. I do not believe in any ethnic hierarchy for there is no basis for any. I have personally done research on Universal Human Moral Nature and found that White Americans are not significantly different in morals from anyone in Asia or Africa.

Having said this, let me also point out that it is my opinion that the tolerance that American White People have for evil to the very core and harmful criminal savage monsters and butchers like Bill Gates did not impress me. American People are extraordinarily tolerant of genocidal monstrous beasts among them, much more than any other people on Earth. This is not impressive to me, and shows that American Culture is still in its early development stages even though the principles that founded the nation were quite advanced, and those principles are worthy of examination, and I adhere to them. But American White People are not morally able to actually detect and eliminate these extremely evil people like Bill Gates. They are easily fooled by charlatans like him.

### 4. AMERICAN GOVERNMENT ACCEPTS MATTER FIELD PHYSICISTS ASSESSMENT OF MY FOUR-SPHERE MATTER FIELDS

In a sign that things are not as bad in America as they could be, the American Government revealed in meta that they consider the opinion of Matter Field Physicists who considered my measurable spinor fields on four-sphere as good. That's promising. It means that Bill Gates' cronies do not have total control of the American Government yet.

## 5. RACIAL ISSUES ARE SIGNIFICANT PART OF LIFE IN 2022

Many people are hesitant to get involved in situations that involve racial issues. I wish I could say, "I sympathise". I cannot, because I am a target of destruction by one of the most savage disgusting and vile racial butchers in the history of human race, and this is the sly and deceptive charlatan *Bill Gates* whose strong white supremacist racial agenda includes totally destroying my life. He has used his powers illegitimately to totally defy United States Declaration of Independence Constitutional protections to damage my Finance and other seniority and use US War Power and Thirteenth Century Black Magic to harm my body and health as well as use his powers to sabotage \$620 million in earnings from Finance, from D. E. Shaw & Co. and ECB's Christine Lagarde, and the United States Government has not only refused to destroy him but instead sent FBI officers to criminalise me instead and even had incarcerate me denying me my Liberty between January 12-19 2022 in mental health hospitalisation instead. This is normal in 2022 and racial issues are prominent in the world at this time. Those who are hesitant to get involved in situations because of racial issues I do not have any sympathy for you, for you are directly encouraging these vile monsters while you believe that you are neutral in these issues. You are most certainly not neutral. You are encouraging these monsters by your insistence that your direct contribution to these problems ends when you have not done these things yourself.
