

BILL GATES PLAN TO ENSLAVE THE HUMAN RACE AND RULE EARTH

ZULFIKAR MOINUDDIN AHMED

1. ISSUE OF SERIOUSNESS

This is not a work of fiction. This is a matter of actual serious danger threatening the entire Human Race. This is not satire. I repeat: this is not satire, this is not a matter of comedy; this is not fantasy.

2. BILL GATES PLANS TO ENSLAVE NONWHITES AND PRODUCE A WHITE RACIAL WORLD ORDER

Bill Gates has a lot of power in America, and he believes that he has enough power to create a secret White Racial World Order and enslave all non-white people of Earth by horrific destructive US military and other stolen illegitimate meta powers.

3. BILL GATES IS A DECEIVER AND IS NOT A BENEVOLENT PHILANTHROPIST

Bill Gates is thought to be a benevolent philanthropist in America. He is in fact nothing of the sort. All the documentaries and public presentation of him as a benevolent philanthropist are complete fiction. He literally totally invented things like how he was given newspapers for free from a newspaper vendor, looked for him for months, found him, and wanted to repay his generosity. That is just one example; all stories of benevolent behaviour of Bill Gates are total fiction. In reality his is the most malevolent murderous man who had ever lived on Earth. In fact, he is a pure actual Demon born of human womb whose Evil Plan is actual enslavement of all nonwhite people by meta and producing a dystopian White Supremacist World Order which eliminates Natural Rights for seven billion people and he and his cronies have right to kill anyone – especially nonwhites – at will.
