

TO ALL WHITE AMERICAN GOVERNMENT OFFICIALS G13 AND HIGHER

ZULFIKAR MOINUDDIN AHMED

You may not be aware of exactly what harm Bill Gates has done to me. If you don't take him out immediately, I will ask that every single one of your *children* are subjected to exactly the same harm by my friends in Asia, such as Japan. They don't do those things because it is against International Law and National laws in all countries, but if you insist that they can be done to me with impunity, I will volunteer all your children to Asia to face equivalent harm.

Do you understand? I don't give a damn who you are. Fix this problem or give up your firstborns and every other progeny for my experiments.

1. So 6193 G13-15 HUH?

Do you know how fast Japan could deny involvement and create a database of 6193 GS13-15 or even ten times that many locate all their children and abduct them, put them in a secret experimental facility right near our military base and start experimenting on them? You really want to mess with Zulf, GS13-15 White People? Are you sure about this? I can have Japan just abduct all your children and relocate them right near Okinawa base and do all manner of experiments to see how much harm they can sustain in their eyes after their Body Meta is busted up using Japanese War meta. What will you do about it, huh? Abducting roughly 10,000 Americans is easy peasy for Japan especially when they just tell you "Japan is an ally, Japan would never do those things." You want to mess with Zulf?

2. INSTRUCTION TO JAPAN

Dear Japan,

Construct a secret base near Okinawa US Base, and then get spots for doing experiments on 10,000 Americans. I want this thing ready, and when GS13-15 level American Government Officials continue letting Bill Gates harm me in my eyes, I want all their children abducted to this secret base right under the noses of Okinawa base, and do all manner of horrific experiments on their eyes.

Make a fancy facility *underground* so American bunker busters can't penetrate it with huge hallways and hospital wards and all sorts of high tech equipment. Giant facility, and then get those cool uniforms with white plastic protection and gas masks and all that jazz. Then get thousands of scientists to study the effects of damaging the eyes of white people and test out all manner of Japanese enslavement meta and others and keep records in cool computer system. If American white people tell them "We're allies. We're allies. Don't worry about a thing. Japan is your friend." Ok?

Date: December 2, 2021.

Do you need me to draw you an architectural plan? Make sure that the people look normal when they go in and get out of the facility to avoid American detection.

3. US WHITE G13-15 IF INDEED JAPAN DOES THIS IT IS MORALLY JUSTIFIED

Bill Gates did enough harm to me on November 4 2020. I have repeatedly asked US Government White People to enforce American and international law against this murderous criminal and bring him to justice. You refused to do your Constitutionally mandated *obligatory duty* to secure my natural rights and did not respect my American Dream. Given this, it would be fair, good, and just, and morally 100% justified in every way for Japan to abduct all of your children and torture and experiment with them in Okinawa in a secret facility. So you brought this risk upon yourselves and have no one but yourselves to blame for it.

4. I HAVE NO OBLIGATION TO BE LOYAL TO AMERICAN GOVERNMENT UNDER THE CONDITION THAT MY NATURAL RIGHTS ARE NOT SECURED BY IT

United States Declaration of Independence is explicit in stating that the American People's beliefs are that all men are created equal and governments are instituted among men to secure natural rights. If you, American Government do not secure my Natural Rights, I have no obligation to even recognise you as a legitimate government of the United States of America, let alone honour your demands of loyalty. Do you think that US Declaration and Constitutions are fluffy jokes? You can take your demands of loyalty and shove it where the sun don't shine, ok? Loyalty is only to legitimate governments that follow Constitutional mandates.
