

**BILL GATES OPINION ABOUT ABU GHRAIB TORTURE IS
"SO WHAT WHITE PEOPLE ARE SUPERIOR"**

Bill Gates opinion about Abu Ghraib torture photographs is 'so what whites are superior'. Fine so American White people really want a nuclear war with Asia. I'll arrange a preparation. White People in American Government support Bill Gates, we know. I won't bother with re-hashing the pictures. If Bill Gates does not get killed very soon by American Government, I will promote that Asia should nuclear wipe out all American Cities very soon.

Look Asia, why don't you prepare some ability to effectively nuclear wipe all American cities. I don't think anything else with stop these Genocidal maniacs.
