

**ZULF WARNS THE UNITED STATES GOVERNMENT TO  
IMMEDIATELY TOTALLY DESTROY BILL GATES AND BURN  
HIS FLESH IN PURIFYING FIRE TO STOP CORRUPTION OF  
GREAT EVIL FROM SPREADING**

ZULFIKAR MOINUDDIN AHMED

United States Government, you do admit wrongdoing as London Human Rights Watch consider found that United States Government officials had co-operated with Bill Gates to destroy me.

I am quite familiar with laws against cruel and unusual punishment. Unfortunately I, as Archangel, am obligated to inform you that Bill Gates corruption of Evil is a greater threat to America than Coronavirus. I am warning you to immediately confiscate all his assets and destroy him physically and ensure that all his flesh is consumed in purifying fire in order to stop the spread of extreme Evil.

There is a positive probability that unless you do this soon, right away in fact, that the entire world will choose to burn *all Americans in purifying fire to prevent spread of extreme Evil across the world*. Do not endanger all Americans' lives based on frivolous commercial concerns. Arrest him and kill him not by electric chair or lethal injection but by purifying fire to prevent his evil from corrupting this world.

He is an Evil Sorcerer and Demon Soul. He is a grave threat to the peoples of this world. You must burn him in purifying fire and let fire consume his flesh completely to stop the spread of Evil.

1. NOTE TO TELEVISION NEWS ETC.

I am an Archangel. Refer to my archived notes for information about my faith and myself. I don't have time for television news folks, sorry. Bill Gates caused enough damage to me to have killed any Bengali man by November 4 2020. This was determined by Royal Menders of Queen Elizabeth in meta. I need to survive and get my life in order.
