

I AM INFINITELY MORE AMERICAN THAN BILL GATES WILL EVER BE

ZULFIKAR MOINUDDIN AHMED

1. MY PRESENT STATUS

I am a Permanent Resident of the United States of America from 1997.

I obtained the Green Card when my ex-wife planned a trip for us when I still had an F-1 Student Visa in Argentina, and suddenly the US Consulate decided I could not return without an immigrant visa. The United States deliberated for a very long time and I was delayed from important classes at Columbia University which derailed my career waiting in Argentina for it. So this is a highly legitimate document. I have lived in America since 1987. I plan to live the rest of my life in San Francisco, especially after I get my money from D. E. Shaw & Co. who owe me \$ 120 million fair and square because my great Medium Frequency Strategy they are trading on \$ 6 billion total and it *works* and I gave them the sales. So they are duty bound as Finance professionals to give me my legitimately earned \$ 120 million.

I was never ever an employee of Bill Gates at all. I was an employee of his protege Christopher Thorpe years ago, but Chris fired me in 2008, and I am self-employed, on disability, and I am working on Quantitative Human Nature, have Thysell Inc. incorporated, dealing with Bill Gates who broke all Laws and Civilised bounds and cut into my eyes which is just outrageous. Who the fuck is Bill Gates? I don't know him from a can of Campbell's Tomato Soup. How dare he violate my Natural Rights as an American? I have a contract with the United States Government, have legitimate papers, and have been in America for most of my

life after 13. I have been hobo in American Soil. I have done more in America than the characters of F. Scott Fitzgerald's *This Side of Paradise*. I've been hobo and I have been a Socialist in San Francisco. Who is Bill Gates? He chants racial slurs all day in a Multi-Ethnic Classical Liberal Democratic Republic where the lynchings stopped in 1942. He claims 'Natural Rights are claptrap' in the Nation whose success depended almost totally on US Declaration and focus on security of Natural Rights. How is this man even American, let alone more American than yours truly? I am a million times more American than this Bill Gates can even comprehend in a thousand years. Who is Bill? I am Zulf. I am Zulf and I am American. I am American more than George Washington and James Madison and Thomas Jefferson. Who is Bill Gates? He does not belong in this great nation at all.
