DOES NOT THINK I WILL SURVIVE LATEST POWER MOVES
OF BILL GATES AND HIS US GOVERNMENT CONSPIRATORS**

Dear United Nations Human Rights Council,

I just experienced a Power maneuver of Bill Gates that used deep cuts by US War Power wiring deep in my flesh. These War Crimes are beyond my ability to survive.

I am an Archangel Soul and so I am obligated to lay down what I want out of my death. I want all Asian nations to co-operate fully.

First, I want Bill Gates and all his high level US Government Conspirators destroyed physically. Execute all of them without exception.

Second, I want a Natural Rights World Order set up including 330 million American people whose natural rights have not been secured at all by United States Government.

Third, I want Asia to press for Universal Natural Rights Security at all costs. The most people in the world in lack of Natural Rights in the world are not Ukrainians but *Americans* because the government is totally rotten and serves illegitimate criminal interests. Bill Gates is not the only War Criminal served by the United States Government.

Make sure this Bill Gates is totally destroyed even it requires a Third World War. These sorts of War Criminals cannot be allowed to harm my beloved people the Human Race ever again.

1. DO ENDS JUSTIFY THE MEANS?

So UN Security Council and Human Rights Council, we're friends, Zulfikar Moinuddin Ahmed always revered *Eleanor Roosevelt* a great American who was the first leader of UN Universal Declaration of Human Rights.

Now tell me something. Do you think you can frame about 25-30% of white people in American government along with Bill Gates and his backers and find a way to cobble together a military alliance between Europe and Russia and Asia and invade and produce a little *bloody horrific slaughter* of these people and then implement natural rights world order on their graves?

Hey, Vladimir Putin, you know I love you like a brother, but will you please stop causing ruckus in Ukraine and pay attention? Why not just produce a small bloody slaughter of 25-30% of the white people in American Government since you will find easily their links to the Genocidal War Criminal Bill Gates and then implement a Natural Rights World Order.

Date: March 2, 2022.

Are you with me? Seriously Russia, you should not try to subjugate Ukraine. Listen to Zulf. You're Christian, aren't you Mr. Vladimir Putin? Well I am not Christian. I do have a soft spot for Christians and Muslims too. You don't know a lot of things but your Virtues are pretty reasonable. Archangels of Heaven are not disappointed too much.

2. ZULF EXPLAINS BROTHERLY LOVE

You see, I have never met Mr. Vladimir Putin. So was I just saying things like "You know I love you like a brother?"

Let's review my Virtues ranked again to have a finer sense for what is the truth here, the real explanation.

Rank	Virtue	Class
1	1 Love	(Humanity)
2	2 Creativity	(Wisdom)
3	3 Honesty	(Courage)
4	4 Curiosity	(Wisdom)
5	5 Spirituality	(Transcendence)
6	6 Hope	(Transcendence)
7	7 Bravery	(Courage)
8	8 Humor	(Transcendence)
9	9 Forgiveness	(Temperance)
10	10 Perspective	(Wisdom)
11	11 LoveOfLearning	(Wisdom)
12	12 AppreciationOfBeautyAndExcellence	(Transcendence)
13	13 SocialIntelligence	(Humanity)
14	14 Zest	(Courage)
15	15 Gratitude	(Transcendence)
16	16 Self-Regulation	(Transcendence)
17	17 Fairness	(Justice)
18	18 Perserverence	(Courage)
19	19 Judgment	(Wisdom)
20	20 Leadership	(Justice)
21	21 Kindness	(Humanity)
22	22 Prudence	(Temperance)
23	23 Teamwork	(Justice)
24	24 Humility	(Temperance)

As you can see, my top Virtue is Love from the Martin Seligman classification. Now this gives me propensity to have a Universal sort of love for all people everywhere. So I am not always going to be expressive of this love to random people always because my personal resources and energy is not infinite, but I do love Mr. Vladimir Putin like a brother and many others.

Now for the downside, the question you did not ask because you assumed something here without thinking too much. The real issue is how much do I love my own two brothers? And the answer is that I am rather focused on my own issues and often neglect their need for my affection. And that's the sad thing. Many of you will know the great scene from Dostoevsky's *Brothers Karamazov* of the scene with

the Grand Inquisitor who was kissed by the protagonist in a dramatic denouement. I am familiar with Dostoevsky. I don't tend to kiss any old Grand Inquisitors. I have greater concerns in a way than Empires and Kingdoms.

Anyway, I want my Natural Rights World Order soon, gentlemen and ladies. I like my World Orders *shaken and not stirred*.
