

AN IDEA THAT IS SPECULATIVE

ZULFIKAR MOINUDDIN AHMED

1. TO WESTERN PEOPLE

My Beloved Western People of the Human Race,
I am Archangel Zulf. I have unified all Asian countries under a single flag. This is the flag.

They will consider prevention of wars sourced from United States of America. I want all of you to give all your historical strife and join hands with Asia. Your destiny is together with your Eastern Brothers and Sisters. They are not your enemies; do not make them your enemy please. I do love the Western Civilisation. I am Princetonian, and from an Anglophile family of Bengal before 34 years of American life. I want peace and tranquility in this world.

With great love,
Zulfikar Moinuddin Ahmed
