PERSONAL ACQUAINTANCES IN US EXECUTIVE AND
REPORT THEM TO US GOVERNMENT LAW**

ZULFIKAR MOINUDDIN AHMED

FBI please survey all Bill Gates personal acquaintances in US Executive Branch and prepare a formal report listing all of their names and other relevant information to US Government Law.

US Government Law, review these ladies and gentlemen and send formal notice to recuse them from all Bill Gates related issues or be terminated from US Government employment. Give them threat of corruption charges immediately. My life is at stake. Do not delay these things.

I will post this on the web and send to US Supreme Court immediately.
