

**REQUEST TO STATE SECRETARY ANTHONY BLINKEN TO
COORDINATE WITH ATTORNEY GENERAL MERRICK
GARLAND**

ZULFIKAR MOINUDDIN AHMED

State Secretary Anthony Blinken,

Please coordinate with Attorney General Merrick Garland immediately regarding a new discovery of mine that in the period 1948 to 2021 our military have not been informed or trained regarding 1948 UN Universal Declaration of Human Rights at all. Our national laws and policy are therefore at odds with International Law, and have been for 73 years. This is a major problem for the State Department and will have to be resolved immediately.

Thank you,

Zulfikar Moinuddin Ahmed USCIS# 046-077-179
