

**LOOK BILL GATES YOU NEED TO BE SLAUGHTERED TO  
SAVE THE HUMAN RACE**

ZULFIKAR MOINUDDIN AHMED

Look Bill Gates, you are an Evil Demon that does not belong in this world at all. You need to be totally slaughtered with your blood splattered all over the walls. What do you mean "Bill has never been in this situation." The human race is in the situation where an Evil Demon, i.e. yourself, is threatening death and destruction to all of Asia. You need to be slaughtered. You don't need to live on Earth. Earth is not for your kind at all.
