

ZULF USES VAN HALEN SONG TO SPEED UP REALLY SLOW POWERS

ZULFIKAR MOINUDDIN AHMED

I will refer to England, France, Germany, Japan, Russia, and China as *Eurasian Powers*. This can include India and others later. It does not matter for me at the moment. So whenever I write henceforth in my notes *Eurasian Powers* I will specifically mean six powers. England, France, Germany, Russia, China, Japan. I won't go into all sorts of power estimates and economy.

I want Eurasian Powers to form a mutual defense agreement not tomorrow but right now. I might be incapacitated by Bill Gates by tomorrow. I don't have time for your flim-flam. I want it now. I want it right now. Then agree to kill Bill Gates right now using a military strike without consulting United States.

I want Eurasian Powers to listen to this song.

Don't want to wait 'til tomorrow
Why put it off another day?
One more walk through problems
Built-up and stands in our way, ah
One step ahead, one step behind me
Now you gotta run to get even
Make future plans or dream about yesterday, hey
C'mon turn, turn this thing around
, hey
It's your tomorrow
(Right now),
C'mon, it's everything
(Right now),
Catch a magic moment, do it
Right here and now
It means everything
Miss the beat, you lose the rhythm
And nothing falls into place, no
Only missed by a fraction
Slipped a little off your pace, oh
The more things you get, the more you want
Just trade in one for the other
Workin' so hard, to make it easier, whoa
Got to turn, c'mon turn this thing around , hey
It's your tomorrow
(Right now)
C'mon, it's everything

(Right now)
 Catch that magic moment, do it
 Right here and now
 It means everything
 It's enlightened me, right now
 What are you waitin' for?
 Oh, yeah, right now
 , hey
 It's your tomorrow
 (Right now)
 C'mon, it's everything
 (Right now)
 Catch that magic moment, and do it right, right now
 Oh, right now
 It's what's happening
 Right here and now
 Right now
 It's right now
 Oh
 Tell me, what are you waiting for?
 Turn this thing around

This is a good version [1]. Not just Bill Gates but all sorts of people in American Government put in investment from 1955 to Asian Manifest Destiny. Don't go there at all. These are not good people. They are racial masturbators. The world will be razed to the ground. If America begins wars in China, and Europe follows, all of Western Civilisation, every single city will be razed to the ground in half a century. You don't know Asia as well as I do. England thinks England knows Asia, but you don't. Asia is resilient and will overwhelm West if wars begin. The wars will destroy the planet. Because Asia is not expansive but they will invade and occupy West and destroy all Western Cities because they are pissed from all the compromised they did after British Empire. Don't let America get in the way. Right now. Do Eurasian Alliance and just assassinate Bill Gates. Don't ask America. They are *too invested* in Asian Manifest Destiny with too much money sunk into it. Just assassinate Bill Gates after joint decision, after UNSC ruling, and say nothing more of it. Let American Government play the next move after assassinated Bill Gates.

England, don't even start with all manner of sophomoric weepy nonsense. Eurasian powers are in a very different place than these guys. Don't be fooled by Biden. The people behind Bill Gates are not your liberals and conservatives. They are worse than Nazis.
