

ZULF THINKS THANKSGIVING SHOULD BE MOVED TO MAY 28 RATHER THAN NOVEMBER 25

ZULFIKAR MOINUDDIN AHMED

What is celebrated in Thanksgiving is really the Genocide of the Native Americans. I want to propose that we celebrate the Genocide and total destruction of Native Americans, i.e. Thanksgiving, on May 28 rather than November 25. That's the anniversary of Indian Removal Act of 1830 signed by slave-owner and Indian fighter in West Andrew Jackson.

Interestingly enough, the foundations of the nation were based on Enlightenment principles of 'all men are created equal' which was not actually understood until perhaps 1960s for the first time.

1. ZULF APPEALS TO ALL ASIAN LEADERS TO DESTROY REPUTATION OF ANDREW JACKSON

To all Asians on Earth. The destructive murderous dark nature of the American White people you have witnessed in wars in Korea, in Vietnam, in Iraq, and Afghanistan, and in Hiroshima and Nagasaki. This *Thanksgiving* Celebration is really a celebration of Genocide of Native Americans. In the interests of well-being of all Asians, I urge you to properly assassinate the character of the slave-owner *Andrew Jackson* and seek the change of date of Thanksgiving in America to commemorate The Indian Removal Act of 1830, i.e. May 28. You must seek the protection of Life, Liberty and Pursuit of Happiness of all Asians with extreme

zeal. Otherwise the White American penchant for Genocide will consume all of Asia.
