

## **ZULF WILL USE ANCIENT POWERS TO FORBID SLAVERY ON EARTH UNTIL THE END OF TIME**

ZULFIKAR MOINUDDIN AHMED

First of all Indian Civilisation is older than Jewish Civilisation. Jewish Civilisation proper is from roughly 1100 BC and Indian Vedics are from 1750 BC. Let's not exaggerate over there. Mesopotamian and Sumerians are much older with 4200 BC.

It looks like because of Bill Gates' obsession Ancient Powers I might have access to some Ancient Powers he's looking for. I will use it to Forbid all Slavery on Earth anywhere on the planet until the end of time universally.

You can't trust white people to do these things right. Even when they get the concepts right they can't really handle it. Look at Thomas Jefferson. If you need to do something really important, you need someone non-white like Zulf. Zulf will get rid of Slavery on Earth for good, don't you worry. I don't get confused when it comes to Slavery.
