

**BILL GATES OUGHT TO BE RITUALLY BURNED AT THE
STAKE AND NOT KILLED ONLY BY ORDINARY EXECUTION
METHODS**

ZULFIKAR MOINUDDIN AHMED

Bill Gates has harmed my eyes with brutal and savage violation of United States and International Law and all Christian and White Law as well. He has used Black Magic that is forbidden, and United States and European War powers.

I do not believe that restrictions on cruel and unusual punishments ought to apply in this case. I implore the world to ensure that he is apprehended, and I want him burned at the stake by the United States Government and the World Powers. My health and life and career have been destroyed by him.

He must be burned at the stake and destroyed. He is a great evil and a grave threat to my beloved people the Human Race.

Thank you,

Zulfikar Moinuddin Ahmed
