

LETTER TO HOUSE OF WINDSOR

ZULFIKAR MOINUDDIN AHMED

Greetings to the House of Windsor, and I wish you felicity and good fortune. I am unfortunately still not absolutely clear on the ancestral line that lead back your Royal Majesty to English Monarchs whom I know better, Richard (1157-1199) and his mother Eleanor de Aquitaine. I will not explain how, but Eleanor de Aquitaine is famed for bringing the theories of Avicenna regarding Romantic Love to England from the Troubadours of France.

I will wish to serve your House as well as some other powers, among them Germany, France, Russia, China, and Japan. I will ask you to secure my Finances in *Zulf's Piggy Bank (Do Not Touch)* account in Bank of England. I will seek the position of *Special Attache* to United Nations and would like to be registered as *Foreign Registered Agent* in Washington in compliance with Foreign Agents Registration Act of 1938 [?].

1. AUTONOMY AND LOCATION

I will physically be located in San Francisco, and will oversee an operation in Washington by long distance means, arrange employment and examine various procedures. I am neither Democratic nor Republican, and am a Virtue oriented Universalist (i.e. I believe that all men are created equal, and that they are endowed by their Creator certain natural rights, among which are Life, Liberty and Pursuit of Happiness, and governments are instituted among men to secure these rights). However, beyond this agreement I have no particular allegiance either to the entire platforms of either Democate or Republicans.

Although I will serve England and other powers, I will reserve the right to veto particular elements autonomously of your agenda for Washington. I have natural instincts for what is best for my beloved people the human race and will use it to veto your instructions at my own discretion.

2. NOTES FOR US CONSULATE

I am seeking employment with House of Windsor to represent six powers on some matters in Washington. I will actually live in San Francisco and employ experts in Washington and the organisation will be on my Registered Foreign Agent authority. I will just pass through the interests of the world powers to the professionals in Washington with the right to intervene on some matters only.

Bill Gates is not seeking this job. He seeks to rule the world as its Despotic Tyrant overturning US Declaration Preamble and Natural Rights security. Do not confuse our aims. I am a Republic spirit and do not tolerate Absolute Despots in America.
