

## ZULF'S FEBRUARY 17 2022 4:00 PM INSTRUCTIONS TO JAPAN

ZULFIKAR MOINUDDIN AHMED  
ZULFIKAR.AHMED@GMAIL.COM

Japan,

I don't know you very well, but I had a pen pal in high school, 1987-1991, a certain Ms. Emi Kato. I knew Kenichi Banai and Daishi in Ohio State University Ross Program, and I have not kept in touch with them. I have dedicated the work on four-sphere theory to the victims of Hiroshima and Nagasaki. With these preliminaries out of the way, I want you to pay careful attention to what I have to say, and follow it, if you would.

I am putting you in charge of arranging Asian Defense as it will be a politically more challenging issue for China. Please examine all of Asia all the way to North Africa and Egypt, and plan a total Defense of all of Asia. Do not try to colonise your brothers and sisters in Asia at all. It's a terribly bad habit. Instead embrace them as your own and serve Asia with honour. Eurasian Defense Alliance will appear naturally in the future. Do this right away.

May the Light be With You,  
Zulfikar Moinuddin Ahmed

Ladies and Gentlemen,

I dedicate my entire efforts and the correct physics of the universe to:

The victims of Hiroshima and Nagasaki

May your memories never fade.

Thank you.

Zulf

### 2. COMMENTARY ON THE DATE OF DEDICATION

I was not sure that four-sphere theory was the truth of Nature with any confidence till 2018. I dedicated my efforts to the victims of Hiroshima and Nagasaki because I believe that event was literally more evil than the Nazi Holocaust in Europe. I am quite profoundly proud of my own *moral elevation* in choosing carefully to dedicate the most important work of my life to the right people.

*Date:* February 17, 2022.

### 3. THE DEDICATION IS NOT A POLITICAL STATEMENT

My dedication of my work in four-sphere theory is a deeper impulse than merely a political statement. It is a reflection of the my own ability to make moral evaluations objectively. Those who do not feel that Hiroshima-Nagasaki was *more purely evil* than Nazi Holocaust are simply inferior in their capability for moral judgment than myself. My purpose is not any political statement here.

### 4. IT IS OBVIOUS TO THOSE POSSESSING MORAL SENSIBILITY THAT MAI LAI MASSACRE WAS MORE EVIL THAN JAPANESE ACTIONS

I am most amused at various American 'moralists' pretending to compete on moral issues with Zulf. Let's take a look at what white Americans in Washington did with Mai Lai Massacre to understand the true moral level of Washington white people, shall we?

That's the scenario from American military wiping out pregnant women and children under the order of William Calley. Now that is *purely evil* as well. They ought to have been *burned at the stake* for demonic evil immediately.

But what did Washington white people do exactly? Let's see.

On 17 November 1970, a court-martial in the United States charged 14 officers, including Major General Koster, the Americal Division's commanding officer, with suppressing information related to the incident. Most of the charges were later dropped. Brigade commander Colonel Henderson was the only high ranking commanding officer who stood trial on charges relating to the cover-up of the Mai Lai massacre; he was acquitted on 17 December 1971.[101]

During the four-month-long trial, Calley consistently claimed that he was following orders from his commanding officer, Captain Medina. Despite that, he was convicted and sentenced to life in prison on 29 March 1971, after being found guilty of premeditated murder of not fewer than 20 people. Two days later, President

Richard Nixon made the controversial decision to have Calley released from armed custody at Fort Benning, Georgia, and put under house arrest pending appeal of his sentence. Calley's conviction was upheld by the Army Court of Military Review in 1973 and by the U.S. Court of Military Appeals in 1974.[102]

In August 1971, Calley's sentence was reduced by the convening authority from life to twenty years. Calley would eventually serve three and one-half years under house arrest at Fort Benning including three months in a disciplinary barracks in Fort Leavenworth, Kansas. In September 1974, he was paroled by the Secretary of the Army, Howard Callaway. [1]

#### 5. KEY POINT: AMERICAN WHITE PEOPLE IN WASHINGTON ARE MORALLY INCAPABLE OF JUDGING EVIL

American White People in United States Government have always been totally incapable of making any reasonable judgments when the evil criminals are white. They may wax poetic about their great moral stature, but they always invariably have no ability to make determination of pure evil.

The reaction of United States Government on this Bill Gates-Zulfikar Moinuddin Ahmed affair is nothing unexpected. Bill Gates is a rotten purely evil savage abominable murderous criminal but American white people in the government will pretend he is a saintly philanthropist. That's not new.
