

THE AMERICAN WHITES QUESTION REMAINS A QUANDARY

ZULFIKAR MOINUDDIN AHMED

The American Whites Question is one of the most difficult questions of the moment. Should we wipe them out wholesale? Should we wipe out in some sort of proportional manner? Should we let them live and fly the rest of humanity to Mars to protect them from the American Whites?

What ought to be done exactly? I will keep this question open for now. I am Archangel and do not want to make a hasty decision here.

1. ZULF PLEDGES \$5 MILLION FOR BEST DOCTORAL DISSERTATION CONDITIONAL ON BANK OF ENGLAND GETTING MY PIGGY BANK

I asked Queen Elizabeth of England for Zulf's Piggy Bank (Do Not Touch) with Bank of England with \$620 million. I will pledge \$5 million for a prize for best Doctoral Dissertations in Harvard, Yale, Stanford, Princeton, Oxford, Cambridge, and other good schools on this *The American Whites Question: Should They Stay Or Should They Go?*.

2. SPECIAL ASSIGNMENT TO BROWN UNIVERSITY

As you know, my goal is to destroy Bill Gates, assassinate his character, kill him physically, and totally annihilate all his accomplishment, dispossess him of all assets, and erase him from annals of history. In concordance with my goals I will assign to Brown University a set of Dissertations on Bill Gates which includes provisions for the following.

- How all the anecdotes he has ever told in in self-promotion material were fiction
- His total inability to code at even junior levels of software engineering
- His total inability to make strategic business decisions with special emphasis on internet, social networking, and mobile phones
- His total inability to understand anything at all about romantic relationships by emphasis on money

Be extremely thorough and detailed.
